DOUGLAS ELLIMAN FINE HOMES | KNIGHT FRANK RESIDENTIAL

A LUXURY BRAND ALLIANCE IN GLOBAL REAL ESTATE

Douglas Elliman Real Estate and Knight Frank Residential, have launched a new global brand alliance, resulting in the largest interactive and connected network for prime and super prime residential properties in the world.

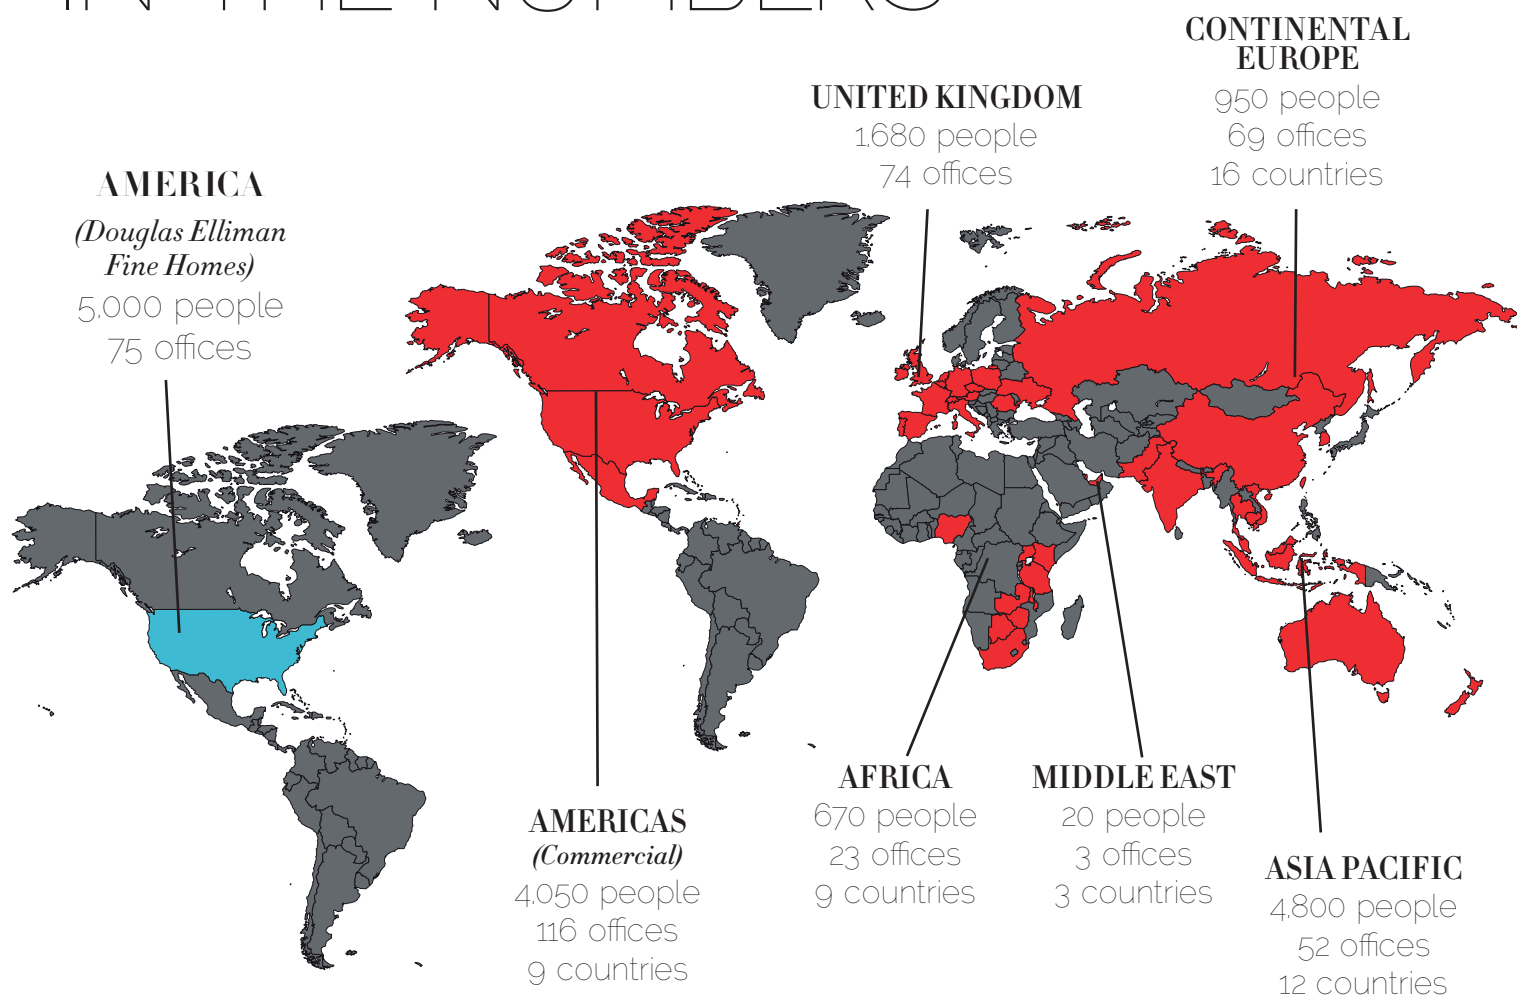

Under the Douglas Elliman Fine Homes | Knight Frank Residential alliance, the two firms share marketing resources for domestic and international properties in the top 10% of each market we service through co-branding across New York City, the Hamptons, Long Island, Westchester, South Florida, Los Angeles and Aspen. Together, we will leverage our reach through our global network to jointly market more than \$47 billion worth of prime and super-prime properties.

This new global alliance is a testament to our shared history, vision, and commitment to our clientele. With our best agents, the finest international properties, and in-depth global market analysis, we are offering our customers a truly seamless experience whether they're in Malibu, Manhattan, or Moscow.

In addition, The Wealth Report, Knight Frank Residential's marquee annual publication offering unparalleled global market analysis covering global prime property markets, wealth distribution, and investment sentiment will be jointly published and distributed worldwide.
