

Hello Brightwaters Residents

We are looking to add new Junior Residents (Ages 13-18) to our list for upcoming volunteer opportunities in the village. This will be a list of emails that we will contact when we are looking for volunteers to attend and help out at village events. There will be no minimum or required volunteer hours, but please volunteer for what you can. After each volunteer event, the Junior Resident will receive a certificate as proof of their volunteer hours.

If you are interested or have any questions,
please email Trustee Del Vecchio

Thank you for your attention!

Enjoy the Day!
